THE LEGAL NURSE CONSULTANT

A **Legal Nurse Consultant (LNC)** is a licensed, registered nurse who performs a critical analysis of clinical and administrative nursing practice, healthcare facts, issues and outcomes for the legal and healthcare professions.

The next live course (the first since COVID!) will be October 19-22, 2023 at Hotel Arts in Calgary, Alberta. The course cost is \$3750 Cdn plus 5% GST (\$3650 until Mar 31, 2023!) and includes 4 days of extensive and thorough instruction by medical, legal and business specialists, hearty and generous breakfasts/lunch/coffee, a Welcome Reception, and a Gala evening to celebrate with your fellow nurses. All attendees will also receive a copy of Chris Rokosh's book "**Shift. Change. Empowering Nurses with Medical Legal Knowledge**".

The Essential Legal Nurse Consulting Conference (formerly "Introduction to Legal Nurse Consulting") will give you the knowledge, skills and confidence to practice as a **Legal Nurse Consultant**. Your new knowledge can be applied as an independent consultant supporting the legal profession, or to enhance your medical legal knowledge within the clinical environment.

Chris Rokosh, RN, PNC(C), is a Legal Nurse Consultant and the primary instructor for **The Essential Legal Nurse Consulting Conference**. Chris has over 40 years of nursing experience and has reviewed over 300 medical malpractice cases in her successful career. Chris is a dynamic speaker and entrepreneur with the knowledge and background to guide you into this exciting new career path. **Don't miss it!**
